## Sandy Weinmann Candidate Statement

Fellow KPFT volunteers,

After many hours of consideration, I have decided to run for a position on the KPFT Local Station Board. As some of you are aware I have completed four years of service on the board. It would be easy for me to walk away from the LSB however I consider the ongoing work we are currently engaged in to important to put aside. The Pacifica family, KPFT included, is a gift to us all. It is my wish to continue service with the LSB to help make sure that our island of free speech may continue to thrive.

During the past four years I have served as Treasurer (two terms) and now chair the Program Council. As a group we continue to build the infrastructure and make possible a better radio station. I along with others on the LSB have built a bond so as to work in a collaborative and productive manner with management. I have participated in several fundraisers over past years that have netted the station thousands of dollars in community event money.
